

Hall Middle School Library

8/25/09

Dear Hall Middle School Parents,

The mission of the Hall Library program is the creation of successful, enthusiastic, lifelong readers and learners. We want to provide a safe learning environment for all students. In keeping with that goal we designate certain books as “Young Adult” with parent permission required for checkout. What is an absolutely appropriate book for one student may not be the best choice for all. Talk to your kids about what they are reading and what kind of latitude you wish to give them when it comes to reading material with more mature themes and content. Please get to know the library and the library collection. You can access the library catalog on-line at <http://hall-school.org/library>. We welcome parents as visitors and volunteers.

Thank you as always for your support!
